

Bank 1 — Most-Repeated General Paper MCQs (with answers)

Paper: NPSC CTSE — General English & General Knowledge (Combined), 100 marks.

What this is: 80 questions on the facts NPSC keeps coming back to across its GK papers (CTSE, CCE and other recruitment papers): Nagaland statehood and history, Article 371A, tribes and festivals, the Constitution's key Articles, the freedom-struggle timeline, and the standard English items (synonyms, idioms, one-word substitution, error spotting). The **answer is printed straight under each question**. Cover it with a finger to self-test.

Stars: ★★★ = shows up in almost every paper · ★★ = frequently · ★ = regularly.

How "most repeated" was decided: by the question *themes* that recur in NPSC GK papers. The exact wording changes every year. The facts don't. The NPSC site could not be reached from this environment, so no stem here is a word-for-word copy of a real paper.
